¹Miscellaneous income and disbursements are sources and expenditures that were not under the control of the Trustee's and did not run through the Trustee's account.

²The Trustee created a system where all funds will flow through the Trustee's bank account (account #8981), and a budgeted amount will be transferred to the Debtor's bank account (account #6942) for daily living expenses. Trustee Disbursements are funds that were received by the Trustee and transfered to the Debtor's account for these living expenses.
